

Covenant Women's Business Mentoring

The Covenant Women's Business Mentoring program is excited to launch new small groups that will provide opportunities for business owners, business professionals, marketplace leaders, and women just starting out in the business world to gather for the purpose of impartation, information and connection. As a group we seek to encourage women in their pursuit of business success. The following Business Mentoring Small groups will meet monthly and some of the benefits of participation include:

- ✓ *Providing accountable support to women in formulating achievable professional development and/or business goals*
- ✓ *Building connections that provide an opportunity to glean insights, wisdom, and encouragement*
- ✓ *Improving your confidence and motivation to move to the next level*
- ✓ *Identifying new and fresh business or career ideas and opportunities*
- ✓ *Learning how to set clear objectives and future direction*
