

Parenting Connection Life Teams

EFFECTIVE PARENTING! DEUTERONOMY 6:5-9, MALACHI 4:6

IS YOUR PARENTING EFFECTIVE?

Would you like to be a more effective parent?

Today's parental challenges are greater than we have ever seen. With so many negative influences saturating our children along with our over committed busy lives creates difficulty when raising our children in the way they should go.

The mission of the Parent Connection ministry in Family Life Ministries is to create a healthy and vibrant body of Christ by connecting the hearts of parents with their children, parents with other parents, and parents with the church. Taking on the mandate to further God's kingdom one family at a time by providing faith based, practical tools that assist parents to become effective with raising children that are impactful leaders for Christ.

Life Teams are a powerful format to build relationships with other passionate parents. The goal of The Parent Connection is to establish passion based parenting Life Teams that serve and address specific parental needs and/or demographics. For example, parents of adoptive children, parenting blended families, inter-racial parenting, single parenting, parenting children with disabilities, parenting toddlers, tweens, or teens, and parenting children in crisis.
