Email | dana@dfarmerphotography.com
Carrollton | Every other Thursday 6:30pm

Vision for Praise Masters' is to provide a venue for every woman who wishes to share her musical talent in a safe environment, receive encouragement and positive critique. Our goal is to learn to intently focus on God and the message, more than our immediate audience, to truly glorify Him through music. To offer positive feedback, improving our music and stage presence. Throughout the year, techniques classes will be offered such as breathing, confidence, using a microphone, stage presence and more!
